Just as intonation goes up in English questions, it goes up in Korean, as well—perhaps even more so. By elevating the pitch, a single word can be turned into a question. Korean culture is steeped in Confucian philosophy, and filial piety is one of its basic tenets. Family is big in the culture and absolute respect and consideration are given to elders.

Aunts and uncles, by virtue of them being older than you, can also easily put their two cents in. You can say that the Korean family is both traditional and conservative. Also, adult children feel a strong responsibility to take care of aging parents. It used to be that wives did a disproportionate amount of household chores. But over time, just as women are proving themselves in the workforce, men are also increasingly becoming more involved in domestic affairs. In general, Korea is adopting more Western virtues. Just as Korean culture is being appreciated all over the world, Korea is also looking to other cultures to add richness to its own. Meanwhile, teenagers are headaches in any era or culture. Koreans have specific terms for the different folks that occupy the different branches and levels of the family tree.

Live in Korean has a chart to help you with this. Age allows people to organize themselves and others in the social hierarchy. Deference and respect are shown to and expected by elders, bosses, government officials, corporate bigwigs, etc. Knowing all that, here are some honorifics that you can use to refer people above, beside and below you in the social ladder:.. Always remember to attach the honorific after the first name, not the last name. It can also now mean boyfriend. This is what boys call guys who are older than them. Koreans take the idea of seniority, of being younger or older, very seriously.

Maybe they have more experience in the profession, have a higher rank or came to the company earlier than you. These people wield plenty of respect and influence in the organization. To know a language means knowing the most common, most practical words that could help you navigate interactions with native speakers. Just practice the most common adjectives, verbs, adverbs, nouns, etc.
