

French Language Course Outline

(French - Level B2)

French Level B2 Introduction

This course outline for French Level B2 is designed for upper-intermediate learners who aim to achieve a high level of fluency and accuracy in French. The program focuses on developing advanced communication skills, enabling learners to understand complex texts, engage in detailed discussions, and express ideas clearly and effectively in both spoken and written forms.

Emphasis is placed on critical thinking, argumentation, and the use of appropriate language in academic, professional, and social contexts. The course prepares students for advanced proficiency and real-world application of the French language.

Course Objective

By the end of this program, learners will be able to:

Communicate fluently and confidently in a wide range of academic, professional, and social situations

Express and defend opinions using structured arguments and appropriate connectors

Understand complex spoken and written French, including detailed conversations and texts

Produce clear, well-organized written content such as emails, reports, and opinion essays

Apply advanced grammar structures, including subjunctif, conditionnel, and complex sentence forms, with accuracy
