PROFILE

A practical and adaptable professional with experience in production, education, and service roles. I'm physically capable, reliable, and not afraid of hard work. I communicate clearly, learn fast, and stay focused under pressure. I work well with others, take responsibility when needed, and always look for better ways to do things. My goal is to keep improving, take on new challenges, and contribute where it matters most.

WORK EXPERIENCE

Quality Control Technician, 07/2024 - 06/2025
